TESTIMONIALS

London's best kept secret

There are no words to describe the service that Phil and Jennifer provided. They went above and beyond our expectations. Their commitment to excellence is very evident in how they run this business. Our wedding was spectacular. From the decor, to the venue, to their guidance and leadership. The care, compassion, creativity, empathy. My husband and I are very grateful for everything, especially the gift basket we received on the day of our wedding. 10/10. Will use again. HIGHLY RECOMMEND.

Eden Experiences made our special day truly magical! Their attention to detail, professionalism, and creativity exceeded our expectations. Highly recommend for a perfect wedding celebration!

Phenomenal hall, and owner went over and beyond for my vision to be fulfilled

Eden Experiences is an incredible venue for hire. We had a birthday surprise here for my Dad and it was fantastic from start to finish. Highly recommend!
